It's 200 days until Christmas, and she's already making [D] plans
She's booked a cabin out in the country, and not even got this year's
Sun [G] tan [G7]

'cause [C] no-one does Christmas like [G] we do,[D]no one knows how to deck the
[G] halls [G7]
[C] no-one does Christmas like [G] we do, it [D] won't be long till Santa gets the [G]
call

100 days until Christmas and she's already talking [D] trees
Oh darn it I just can't believe it, best just let her do as she [G] please [G7]

'cause [C] no-one does Christmas like [G] we do,[D]no one knows how to deck the
[G] halls [G7]
[C] no-one does Christmas like [G] we do, it [D] won't be long till Santa gets the [G]
call

It's 85 days until Christmas, the shops are filling up with festive [D] stuff
Jingle bells and Christmas lights are shining, I don't believe we'll ever have
e[G]nough [G7]

'cause [C] no-one does Christmas like [G] we do,[D]no one knows how to deck the
[G] halls [G7]
[C] no-one does Christmas like [G] we do, it [D] won't be long till Santa gets the [G]
call

It's 24 days until Christmas now she knows the pressure's really [D] on
Deliah says clear out your freezer, make mince pies and fill it up [G] again [G7]

'cause [C] no-one does Christmas like [G] we do,[D]no one knows how to deck the
[G] halls [G7]
[C] no-one does Christmas like [G] we do, it [D] won't be long till Santa gets the [G]
call

Now there's no more days until Christmas, no more time for shopping or for [D] fuss,
the sprouts are peeled, the goose is cooked, let's get next year's holiday booked,
and wish for better times for all of [G] us [G7]

'cause [C] no-one does Christmas like [G] we do,[D]no one knows how to deck the
[G] halls [G7]
[C] no-one does Christmas like [G] we do, it [D] won't be long till Santa gets the [G]
call
C] no-one does Christmas like [G] we do, Merry [D] Christmas, Santa came to [G]
